THE WHOLE SHEBANG

The Whole Shebang teams are for those who want a super active team experience - the whole 9-yards, including swag, scavenger hunt, team dinner, lots of togetherness, and at least one follow-up after the event.

Get ready for a wild ride! These experiences have led to many lifelong friendships.

JUST ENOUGH

Just Enough teams are for those who want a lower-key team experience. Maybe you're shy or would rather focus on building career skills than team bonding. If you want to meet new people but matching scarves and a scavenger hunt competition feel overwhelming, this is the best fit for you.

TEAM AGENDA

SATURDAY - SUNDAY

If you arrive early, you can meet up with your team for a meal, a drink, or even an excursion. WCF will share some suggested activities in advance. TripAdvisor is also a great resource.
